Newsletter # 10: June 5 2018

It is hard to believe that we are in our last month of the 2017/2018 school year! Whiteside has continued to be a fun-filled, engaging learning environment and I am proud to be the principal of such a fabulous school. I want to thank you all for continuing to keep the Whiteside spirit strong, through supporting your children, families in need, and the many activities that make our school such a special place to be. I look forward to continuing on as your principal for the 2018/2019 school year.

MAY ACTIVITIES TO CELEBRATE

A visit from the Aquavan

We were lucky to have been chosen by the Vancouver Aquarium to support in learning about the biodiversity in our Lower Mainland environment. An enormous van pulled up outside Whiteside, filled with all sorts of marine life and animal artifacts. What a wonderful learning experience for us all!

BC Elementary Team Chess Championship

We are proud to say that our Whiteside Chess Team came in 4th at the BC Elementary Team Chess Championship. Thank you Ms. Yoshimaru for hosting the Chess Club every Friday and escorting the team to the tournament!

Welcome to Kindergarten

We are excited to have met our new kindergarten students who will be joining us this fall. Our potential students created, played, danced and were read a story as their parents learned more about what kindergarten looks like at Whiteside. Thank you to our kindergarten teachers for making this event such a success.

Late French Immersion Orientation

We have also had the chance to meet our next year's Grade 6 Late French Immersion students. Mr. Pelletier spoke to parents and students about the program, and introduced them to this year's students. We look forward to greeting these families in the fall.

Zone track meet

Congratulations to all of the students who participated in our zone 6 track meet on Tuesday, May 29th. Our students were able to show everyone their Whiteside Spirit, demonstrating good sportsmanship, amazing behavior and hard work as they participated in both track and field events.
