NEWS FROM THE WOLF PACK

Dear Whiteside Families,

We have had our first week of "on-site" learning at Whiteside. It has been great to see familiar, eager faces back in the building. The staff who are here have been delighted to greet the children and make their learning days fun and informative. We have had an average of 40 students attend each day.

We are working with our Grade 7 teachers and the Grade 7 Grad committee to finalize plans for the Grade 7 year-end celebration. More information to come.

It is the time of year when we start to plan for classes in the fall. We are already gathering information from staff regarding student learning profiles, learning environments, and specialized support. Please email any specialized considerations for your children that will help us to make the best placement possible for them. A friendly reminder that we do not accept requests for any particular teacher.

Finally, your children's belongings that are still at school can be picked up on Thursday, June 11th and Friday, June 12th between 9:30 am and 2:00 pm. The items have been bagged and labelled and will be organized by Division in the school gym. Please enter and exit using the **gym doors** as marked and maintain social distancing. You may drop off outstanding library books at the same time.

Have a safe and happy weekend!

Mrs. Pamela Essex
Principal
