#### Notice of Late Return Form

Complete the **Notice of Late Return Form** if your child is expected to return to school late in September (after September 11, 2019).

June has arrived and we are ready to finish the year off with many exciting activities. With the increase in sunshine there are more opportunities for outdoor learning experiences, and teachers are making the most of this time. We are extremely proud of all of our intermediate students who participated at our zone track meet. Not only did they do well in their activities, but they demonstrated great sportsmanship. Our honour band toured 6 Richmond schools, showing off their musical abilities, and our show choir performed for the retirement of Sherry Elwood. At the end of the month we welcomed our new kindergarten students and parents, as well as the families that will be joining us for our grade 6 Late French Immersion Program. It was wonderful to see all of the new faces that will be arriving in September.

## SPRING FAIR

Thank you to our Whiteside Wolf Pack for a very successful Spring Fair. It seemed like the whole school was there, and lots of friends and neighbours, too!

In particular, we want to thank the teachers and Whiteside staff for embracing Spring Fair and whipping up enthusiasm for this celebration! Not only did Whiteside staff volunteer in full force by taking a shift or baking a cake (or both!), but they also organized their class crafts for the Student Craft Fair and managed the delivery and the return of raffle tickets as well.

Thank you to the parents and guardians who contributed through organizing, baking, designing, buying raffle tickets, emailing, Facebook "liking", donating to the class crafts, volunteering, pre-ordering, and bringing your families to the fair.

Thank you to the City of Richmond for contributing through their Neighbourhood Celebration Grant!

Thank you to the high school volunteers from McRoberts for coming at a busy time of year to run games and crafts as well as entertain us with the band!

And finally, thank you to every single Whiteside Wolf who came and bounced and laughed and ate and cheered and shared this community-building evening with us. Seeing your joy is the perfect reminder of why we do this!
