NEWS FROM THE WOLF PACK

Dear Families,

Thanks to the enthusiasm of our Grade 6 and 7 students and their team sponsors, basketball season is well underway. The students have been very busy with scheduled practices and home and away games after school. Some of the competition has been quite challenging, but our students are working well together and should be congratulated on all the improvements they are making.

Regarding the Coronavirus outbreak, please continue to reinforce proper hygiene techniques at home with your children:

- wash one’s hands frequently for at least 20 seconds using soap and hot water (it is the single most effective way of reducing the spread of infection);
- do not touch one’s face/eyes/mouth with one’s hands; and
- cover one’s mouth and nose when sneezing or coughing (ideally with a disposable tissue or the crease of the elbow).

We also continue to stress the importance of keeping your children at home if they are displaying **any** signs of a cold or the flu. The latest update from the Ministry of Education is available at:

<http://www.bced.gov.bc.ca/bulletin/20200206/coronavirus-update---feb-6.pdf>

Have a good weekend everyone.
