## NEWS FROM THE WOLF PACK

Dear Families,

This week some classes have been participating in yoga-inspired movement classes with Josephine Chan, a local, licensed instructor. Students have had the opportunity to explore different methods of calming/mindfulness and moving their bodies to improve flexibility and body awareness.

Regarding the Coronavirus outbreak, we would like to thank all of our families for taking the time to reflect and remember the importance of proper respiratory hygiene. Washing hands with soap and water and covering your nose and mouth with a tissue when sneezing or coughing. We also stress the importance of keeping your children at home if they are displaying **any** signs of a cold or the flu.

At Whiteside our fields are getting very muddy. Since our muddy fields have become a great curiosity to many of our younger students, we are now considering the field west of the playground to be out of bounds. We would also like to remind our families to make sure students are wearing suitable clothing and boots on rainy days as we try to ensure our students have daily breaks to get fresh air.

Finally, we wish safe travels to 20 of our Grade 7s who will be heading off to La belle province with Mme Lee and M Pelletier on February 5<sup>th</sup>. Bon voyage!

Have a good weekend everyone.
