Dear Families,

#### WINTER-WEATHER-PARKING LOT

Our parking lot is much, much busier than it has ever been. We understand that it is more convenient and much warmer to be dropped off right at the front door. With so many people now driving, this creates a huge, slow moving, traffic jam. Tempers and horns start to go, students arrive late and anxious. We can make a difference if we all work together!

- Try to walk or ride to school if at all possible
- Carpool with others – take turns driving!
- Leave a little earlier to avoid the congestion
- Turn **RIGHT** and **PARK** if your children are in grades 4-7. They can safely walk to the building from the parking area on the right side. We will help you exit. (Students in Grade 2 and 3 can also walk to the building, especially if you walk with them).
- Turn **LEFT** and use the **DROP OFF LANE** only if your children are in Kindergarten, Grades 1, 2, and 3 or if they need assistance. The children are precious. Let's do all we can together to make drop off and pick up safe and calm.
