Dear Families,

The staff is very excited to have received three grants from our District! We have been awarded the “Leadership” grant, the “Library Learning Commons” (LLC) grant, and the “Student Reporting Policy Pilot” (SRPP) grant. These three grants support some key goals we have at Whiteside:

- Fostering Student Leadership and Responsibility
- Developing the Library Learning Commons as a hub for student learning
- Communicating student progress in regular and authentic ways

We are also one of the schools to receive a 3-D Digital Printer. The possibilities are incredible! We did a “test project” yesterday, sparking great interest in learning more.

Have a wonderful weekend!

Important Information for October 21 - 25

| | |
|------------------------------|---|
| Monday, October 21 | Division 6 & 7 Steveston Field Trip |
| Tuesday, October 22 | DARE for Grade 5 students Leadership Conference |
