LEARNING BUDDIES NETWORK

AT WHITESIDE

Whiteside is happy to welcome back the Learning Buddies Network, an engaging after-school program for our students. It pairs local high school and college volunteers with a small group of younger children to build foundational literacy and numeracy skills in a fun, one-on-one setting. This partnership is a fantastic way to boost academic confidence and foster positive mentorship right here in our community.

WOLF WEAR WEDNESDAYS

To show our school spirit, we invite our students, staff and community to wear their favourite Wolf gear every Wednesday! This Wednesday, October 22, we also encourage our Wolfpack to wear Blue Jays gear to support our baseball team!

FSAs for Grade 4 and 7:

In October students in grades 4 and 7 will complete the Foundation Skills Assessment. The Foundational Skills Assessments (FSAs) help us understand your child's progress in key areas like reading, writing, and math, providing insight into their learning. These assessments allow both teachers and parents to identify strengths and areas where additional support may be needed, ensuring each student reaches their full potential. This assessment is one of many that provides information about student learning at Whiteside and throughout the province.

BIKE AND SCOOTER SAFETY

We see a lot of our Wolfpack riding and scooting to school every day. Way to go! To be safe on the streets and paths, ***everyone must wear helmets*** when riding or scooting. Wearing a helmet is the law in B.C. and you could be fined for not wearing one, or worse. Also, please do ride or scoot on our drop off lane. Visit this link for more information about bike safety and see below for information about e-scooters.

DIGITAL DEVICE POLICY

In January 2024, the Ministry of Education and Child Care mandated all school boards in British Columbia to update their Codes of Conduct to include restrictions on students' personal digital device use.

Students should not have personal digital devices in their possession during the school day unless permission is granted by the supervising staff for educational purposes. This includes during recess and lunch or while outside on the playground or on school property. It is recommended that students do not bring personal digital devices to school.

WEST COAST RECESS:

During recess and lunchtime breaks, students are expected to be outside at all times this year. Students are strongly encouraged to dress appropriately for the weather. You may also send a change of clothes to school just in case your child gets wet. Playing outside will ensure our students get some fresh air and exercise to enliven their day.
