DIGITAL DEVICE POLICY

In January 2024, the Ministry of Education and Child Care mandated all school boards in British Columbia to update their Codes of Conduct to include restrictions on students' personal digital device use.

Students should not have personal digital devices (phones, tablets, smart watches, or computers) in their possession during the school day unless permission is granted by the supervising staff for educational purposes. This includes during recess and lunch or while outside on the playground or on school property. It is recommended that students do not bring personal digital devices to school.

ALLERGY ALERT:

All families should be aware that Whiteside School has many students with severe, life-threatening food allergies. Some classrooms may be designated nut free to protect the health of these students. Please help us limit the nut products entering our school overall, as the impact on a student can happen anywhere in the school. If possible, please do not send food to school containing nuts.

WEST COAST RECESS:

During recess and lunchtime breaks, students are expected to be outside at all times this year. Students are strongly encouraged to dress appropriately for the weather. It is more important than ever that students have a spare change of clothes at school. Especially the little ones! Please make sure to include pants, socks, shoes and shirts! Playing outside will ensure our students get some fresh air and exercise to enliven their day.

SNOW DAYS

On a snow day, our school will remain open if possible. No announcement will be made saying that schools will be open.

Only closures will be announced via the SD38 Twitter account, school and district websites, School Messenger alerts and on the radio at CKNW AM 980, News AM 1130, CBC AM 690, Fairchild AM 1470, CHQM FM 103.5. Closures will be announced as early as possible.
