NEWS FROM THE WOLF PACK

Dear Families,

With the arrival of November, some new opportunities have opened up for students. In addition to our Grade 6/7 intramural volleyball teams, our Diversity Club has now begun and more clubs will be starting up shortly. We understand the strong need that students have for connection, and teachers are excited to help build this community.

Online registration for *kindergarteners* opens on November 1, 2021. (These are children born in 2017, turning five in 2022, who will begin kindergarten in September 2022.) Please visit <https://sd38.bc.ca/student-registration/kindergarten-registration> for more information about the Richmond School District’s registration process, required documents, important dates, and FAQs. Instead of in person information evenings this year, the District has posted short videos on the website that provide new parents with information about the registration process, English Language Learner (ELL) assessments, and District Program Options—Early French Immersion and Montessori. There will also be a Kindergarten Information Evening for parents of students with disabilities and diverse abilities via Zoom on November 17th from 6:30 – 7:30 PM. A link will be posted on the website closer to the date. Please share this information with your friends, family, and neighbours who have kindergarten-aged children.

You should have received your children’s photo proofs this week. Online orders for free shipping to school are due November 3rd. If you have three or more children, you can request a coupon code from the photographer before placing your order: <https://online2.edgeimaging.ca/family>. Also, Photo Retake Day is scheduled for Friday, November 12th.

Just a reminder that students are invited to wear their Halloween costumes tomorrow, Friday, October 29th. Please remember that **full** face masks and weapons are not permitted at school.

Enjoy the dry weather this weekend!
