SEISMIC UPGRADE PROJECT:

The seismic upgrade project started in October and is expected to be completed by March 2023. The project will make the school safe in case there is a seismic event and includes improvements to building structure, HVAC system and piping as well as cosmetic upgrades to floors and walls. During the construction affected classes will be moved to the portables. The project will start with the short hallway and includes an upgrade to the bathroom areas. If you have any questions about the project please contact Ms. Corneil.

NEXT PAC MEETING

November 18th, 6 pm
Zoom

1

HOT LUNCH

Coming in November!

2

PURDY'S & GIFT CARD FUNDRAISER

Opening mid-November
Pick-up early December

Hot Lunch - Coming Soon!

Our Hot Lunch coordinator will be meeting with school administrators to discuss the hot lunch date for November and whether we can run one in December as well. We have been contacted by Yummy Slice (formerly Fresh Slice) who we have used in the past. They have individual packaging and nut free options. Stay tuned for more information coming soon!

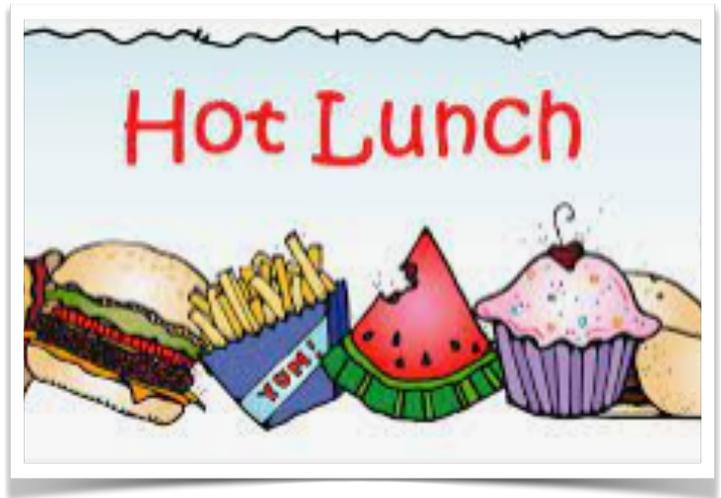

Upcoming Fundraisers

Gift Cards / Purdy's Chocolates

As usual the PAC will run the Gift Card and Purdy's fundraiser in November with pick-up in early December. Purchases will be made directly on Purdy's website and via paper forms distributed in the classrooms for Gift Cards. A portion of proceeds from items purchased will come back to the PAC.

Thank-you!

Big thanks to all families who purchased Wolf Wear this fall, it was a big success. Don't worry if you missed it this time, we will sell again in the Spring.

PAC Executive Vacancies

Recently two members of the PAC Executive had to leave their positions which leaves the PAC desperate for volunteers to fill these roles. Vacancies are in the **Co-Chair** and **Secretary** positions. For accountability purposes and to be sure we can perform all the functions required for the PAC we need to fill these roles ASAP. Time commitment is minimal. It is not sustainable for the two remaining members to perform all the duties on their own. Please consider volunteering your time. Contact the PAC for more information.
