The Annual Whiteside Raffle is coming soon!

This year all funds from the raffle will go to support Mme Pollack's innovative vision for our school library to become a *Library Learning Commons (LLC)*; a busy hub for the school which promotes a culture of reading, literacy and technology integration. Vermilion Photography Family Portrait Night

The family portrait night was a great success and we hope all families who participated love the results. A big thank-you to Jack Wong of Vermilion Photography who donated 100% of the sitting fees to the Whiteside PAC. We would love to run the event again next year. If families are interested please let us know.

PAC Survey

The Whiteside PAC is applying for a City of Richmond Neighbourhood Celebration Grant to be used to host a school community event in the next 6 months. We are proposing using this grant to host the Meet the Teacher event for the 2020/21 school year.

To assist us with our planning, please follow the link below and answer our three question survey. As the survey is multiple choice, if you have further feedback that does not fit into the questions asked, please contact us via email. All feedback is greatly appreciated!

The PAC needs YOU!

Next year we will have several PAC members leaving their positions. We are still seeking volunteers for the Treasurer position as well as Fundraising Coordinator. We know that it can seem intimidating but we are all here to assist and support each other. We truly work as a team!

If you are interested in this, or any other position, please visit the PAC section of the school website for more information or contact us via email:
