- Jun. 28** Report cards published on MyEd Parent Portal
- Jun. 29** Last day of school for students

NEWS FROM THE WOLF PACK

Dear Families,

On Tuesday, we had our first band & choir concert in more than two years! Our student musicians were so excited to perform and did an amazing job! A big thank you to Ms. LB for all your work with planning for the concert and extra rehearsal times with students.

Everyone is getting excited for **Sports Day on Friday**, and we look forward to seeing many families at school for a day of fun!

Ms. T. and Mrs. Kawas want to thank the Whiteside community for a fun and successful year in our Library Learning Commons. Some of our highlights include our Wednesday storytimes with the Kindergarten classes, the virtual Scholastic Bookfair in November, working on Keva Brain Builder Challenges, learning about robots with Cubelets and Spheros, and colouring together after book exchange periods. Also, all library books are due on **Monday, June 20th**. Please help your children look for any library books that may still be at your home and have them pack them in their backpacks this weekend. Thank you!

Finally, families who will be leaving the Richmond School District must export their children's ePortfolios if they wish to keep a copy of the evidence of their learning. (Returning students do not need to take any action.) Instructions for exporting student ePortfolios is on the school website:

<https://whiteside.sd38.bc.ca/news/2022/03/exporting-student-eportfolios>

Have a good weekend!
