

## Please Join Our Parent Contact List!

We are gathering an email contact list for the class. This list will be shared with your teacher and school staff, participating parents in your division and Whiteside PAC.

Through this list we can keep in touch throughout the year for such things as:

- Arranging playdates or birthday parties
- Organizing group projects
- Sharing information about upcoming events
- Last minute updates about field trips and class events
- The latest information from Whiteside PAC

**Please return this form to your child's teacher.**

However, if you were already  
Receiving Whiteside PAC emails last year, DO  
NOTHING!

We'll automatically update your child's division.

If you have any questions, please contact Whiteside PAC at  
[whitesidepac@hotmail.com](mailto:whitesidepac@hotmail.com)
