Please remember the east parking lot is for school and construction staff only. Please do not park or drop off children in this area.

PARENT SURVEY

Each year the Ministry of Education asks parents, grade 4&7 students, and school staff to complete a learning survey. Please take a little time to visit www.bced.gov.bc.ca/sat_survey/access.htm to share your thoughts and ideas. Your opinions will help guide the future of education in BC.

EXTENDED ABSENCES

During the year students may be absent from school for an extended period of time. It is district policy that students may only be absent for 4 (four) consecutive weeks and retain their place in the school. **After 4 weeks, students will be removed from the school register.** Upon returning, students will have to re-register at the school board office. If we have space, your child will be placed in a class, but not necessarily the class they left. It will take a few days for your child to be placed, so he/she cannot begin school on the day you return. If Whiteside is full, the district will find space in the nearest available school. Teachers will not provide work for students on extended absences. ***Our extended absence form needs to be completed if you are planning an absence for a week or longer.***

LATE ENTRY & ABSENCES

We understand that things happen in the morning that can derail your normal routines. If students are late in the morning, please ring the doorbell and wait at the main door. A member of our staff will greet the students and bring them to their class. All family members must remain outside.

If you know your child will be away, please call the school office and leave a message at any time (604-668-6209 or 604-668-6154). You can also email absences to whiteside@sd38.bc.ca. Informing the office will prevent unnecessary calls home. Thank you!

ALLERGY ALERT:

All families should be aware that Whiteside School has many students with severe, life-threatening food allergies. Some classrooms may be designated nut free in order to protect the health of these students. Please help us limit the nut products entering our school overall, as the impact on a student can happen anywhere in the school. If at all possible, please do not send food to school containing nuts.
