RINGETTE

For Everyone

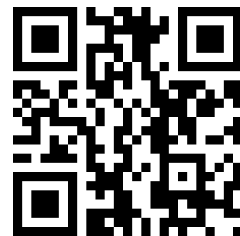

“Ringette helped my daughter with her confidence and self-esteem. She’s made some great friends and loves coming to the rink every week.”

- Michele, U10 parent

RINGETTE IS A FUN, FAST-PACED, NON-CONTACT TEAM SPORT PLAYED ON ICE THAT COMBINES SPEED AND STRATEGY.

**FREE UPCOMING
COME-TRY DATES:**

Richmond Ringette Association is a Non-profit Organization

COME TRY RINGETTE!

ONE OF THE FASTEST GROWING SPORTS
IN CANADA.

F.A.Q.

SKILL + SPEED

THAT HOCKEY DON'T.

What's Ringette?

Who can participate?

Ringette is one the fastest team sports on ice.

Played with blade-less sticks and a ring, Ringette has elements of basketball and soccer, with “run-and-gun” speed and strategic passing plays that are making this an increasingly popular team sport.

Invented in Canada in 1963 by Sam Jacks — a sports enthusiast and the inventor of floor hockey — there are more than 30,000 registered players in 2,000 teams across the country today.

We welcome players of all age groups and genders!

Even if you've never skated before, come join us! Our association prides itself on skill development and participation. Coaches are certified and mentor a safe, non-contact style of play.

Richmond Ringette Association is a proud, non-profit member of Ringette Canada.

My child is 9 years old and new to skating, should we register for U10 or a lower category?

We encourage new players to join their own age peer group, as the focus is on fun and learning. From our experience, they will catch-up quickly and learn to skate and play best with their peers.

When are practices and games?

At the U7 to U12 levels, practices are scheduled at least once a week after school hours, and games on the weekends. We strive to accommodate busy schedules by avoiding early morning weekday practices. Schedules can be found at RichmondRingette.com.

Is my child too old to start playing Ringette?

Players of any age are encouraged to play this game. For players at U14 age and above, previous skating experience, or registration in ringette combined with skating lessons will increase your child's enjoyment.

My son/daughter is interested, can they try?

Richmond Ringette hosts regular FREE “Come Try” events for new players to try the sport, and we provide all the gear! Qualified coaches are on the ice to introduce the sport and to get players use to being on skates. If you are interested in this event, please visit RichmondRingette.com to register.

How much does a season cost?

We have promotional pricing for all new players. Please see below.

NEW PLAYER PROMOTIONAL PRICING*

New players under 10: **\$150**

New players under 19: **\$250**
