SNOW DAYS

On a snow day, our school will remain open if possible. No announcement will be made saying that schools will be open.

PAC MEETINGS

PAC are amazing resources for our entire school community. A strong PAC bonds our school community with our families. PAC is an excellent way for our families to connect directly with the action at our school as well as develop relationships within the parent community. **Our next meeting is on Tuesday, February 13th at 6:30 p.m.!** Please reach out to our PAC at whitesidepac@hotmail.com for more information.

ALLERGY ALERT

All families should be aware that Whiteside School has many students with severe, life-threatening food allergies. Some classrooms may be designated nut free to protect the health of these students. Please help us limit the nut products entering our school overall, as the impact on a student can happen anywhere in the school. If possible, please do not send food to school containing nuts.

LUNAR NEW YEAR

Lunar New Year happens this year on **Saturday, February 10, 2024**. This year ushers in the year of the Dragon!

WEST COAST RECESS:

During recess and lunchtime breaks, students are expected to be outside at all times this year. Students are strongly encouraged to dress appropriately for the weather. Recently, the provincial government announced a new Feeding Futures School Program Fund, designed to assist schools in the development and enhancement of school meal programs and other nutritional supports for students. We currently provide breakfast and lunch options for students that need extra support during the school week. If you would like to request support for your child at school, please reach out to our principal, Brett Cameron (bcameron@sd38.bc.ca).

STUDENT AFFORDABILITY FUND

Recently, the provincial government announced a new, one time [Student and Family Affordability Fund](#). This fund is designed to assist families who require financial assistance with school-related costs such as school and course fees, workbooks, specialty supplies, field trips and other school-related charges and costs. The additional funding will also be used to support school meal programs and other nutritional supports for students.

Currently, we are requesting that families reach out to our principal, Brett Cameron (whiteside@sd38.bc.ca) if you need assistance with school supplies, fees, or other school-related costs. As always, all requests will be treated with dignity and your privacy will be respected.
