# WHITESIDE READING INFORMATION OF THE WEEK Support and encourage the learning process

Learning to read can be a

Canada's

difficult process for some children. It's important to create a safe environment in your home where children feel like they can make mistakes and learn from them. Show your support in all reading activities your child takes on. Help them sound out words they may not know, and reassure them if they make mistakes. Building up confidence can be a key factor in establishing a positive relationship with reading. The more confident a child is in his or her reading ability, the more likely they are to build up a lifelong love of reading.

# **HEALTHY EATING HABITS**

As a parent, these tips help create healthy habits at home:

- Set regular meal and snack times that work for the whole family. Share mealtimes and eat with your children.
- Offer a balance and variety of foods from all food groups at mealtimes.
- Offer food in ways they can manage easily. For example, cut into pieces, or mash food to prevent choking in younger children.
- Help your children learn to use a spoon or cup so they can eat independently.
- Include your child in age-appropriate food preparation and table setting.
- Avoid using dessert as a bribe. Serve healthy dessert choices, such as a fruit cup or yogurt.
- Show your child how you read labels to help you choose foods when shopping.
- Avoiding fast food restaurants shows your children the importance of enjoying mealtime as a family, while eating healthy home cooked meals.
