

Wildlife

IN YOUR 

Classroom

Discover Richmond's urban wildlife and learn about their unique adaptations with a Richmond Nature Park naturalist. Register for an interactive and educational session that features resin casts, fur and bones, a dynamic presentation and a fun, engaging activity. Let students get immersed in Richmond's urban ecosystem with this hands-on learning program.

Book now! Classroom presentation, Sep–June:

\$300/morning (3 sessions) | **\$200**/afternoon (2 sessions) | **\$400**/day (5 sessions)
Max 30 students/session.
