

MEET THE STAFF NIGHT – THURSDAY!

We invite you to join us on Thursday, September 19 for Meet the Staff night. Our evening begins at 4:30 p.m. with an informal social on the playground and in the park. Grab a slice of pizza or a snack from our PAC concession and meet other members of the Whiteside community.

We will bring you inside for a Whiteside scavenger hunt and some time to introduce yourself to your children's teachers at 5:00 p.m. The evening will conclude at 6:00 p.m. Please remember that this is not a learning conference but an opportunity to say hi and share a little about your children.

TERRY FOX RUN – THURSDAY!

This year, Whiteside is so proud and excited to participate in the Terry Fox School Run on Thursday, September 19th. We invite you to join us at our assembly at 10:30 a.m. and for our run at 11:00 a.m.

Thank you for supporting our school in the fight against cancer and showing your no-quit attitude in honour of Terry! #terryfoxschoolrun @terryfoxfoundation

STUDENT AFFORDABILITY FUND

Recently, the provincial government announced a new, one time [Student and Family Affordability Fund](#). This fund is designed to assist families who require financial assistance with school-related costs such as school and course fees, workbooks, specialty supplies, field trips and other school-related charges and costs. The additional funding will also be used to support school meal programs and other nutritional supports for students.

Currently, we are requesting that families reach out to our principal, Brett Cameron (whiteside@sd38.bc.ca) if you need assistance with school supplies, fees or other school-related costs. As always, all requests will be treated with dignity and your privacy will be respected. We want to work with our families to ensure that our students, your children, have everything they need to be successful at school. Please do not hesitate to reach out if we can help.

ALLERGY ALERT:

All families should be aware that Whiteside School has many students with severe, life-threatening food allergies. Some classrooms may be designated nut free to protect the health of these students. Please help us limit the nut products entering our school overall, as the impact on a student can happen anywhere in the school. If possible, please do not send food to school containing nuts.

SCHOOL FEES

Every year we collect \$33 for our school fees which includes all basic supplies for our students for the year. There is an additional Cooking and Craft fee (\$22) for students in our Kindergarten and K/1 classes only.

There is an additional \$7 fee for school planners. Planners are an excellent way for grade one to seven students (grade 1-7 only), staff, and children to communicate school assignments and upcoming events. We encourage our students and their families to review their planner regularly.

There may also be additional costs for educational field trips during the year. Teachers and staff will be sharing a list of potential field trips and their associated cost shortly. Please use **CashOnline** to make your payment early. Please contact the office if you have questions about our school fees or need assistance in paying.

WEST COAST RECESS:

During recess and lunchtime breaks, students are expected to always be outside this year. Students are strongly encouraged to dress appropriately for the weather. You may also send a change of clothes to school just in case your child

gets wet. Playing outside will ensure our students get some fresh air and exercise to enliven their day.

OPTIONAL STUDENT INSURANCE:

The "InsureMyKids®" accident insurance program offers protection

against the potentially high costs of any injury resulting from unexpected accidents and is especially valuable for families who:

- do not have medical or dental plans,
- have limited plans, as it may help supplement health and dental benefits, or
- have active children who enjoy sports and outdoor activities.

Please visit www.insuremykids.com for more information.

PARKING LOT SAFETY

With school starting up, it is important to remind both drivers and pedestrians to keep traffic safety in mind and remain alert during their commutes.

Here are some tips for drivers, pedestrians, and parents from ICBC to make travelling to and from school safe for everyone.

Drivers

Stick to the Speed Limit

A 30 km/h speed limit is in effect in school zones from 8 a.m. to 5 p.m. every school day, unless otherwise posted. In playground zones, a 30 km/h speed limit is in effect every day from dawn to dusk.

Scan Crosswalks and Intersections from Left to Right as You Approach

Watch for pedestrians waiting to cross, especially during school hours.

Leave Your Phone Alone

Distraction is the leading factor for drivers in crashes involving pedestrians and cyclists.

Notice if Other Drivers are Slowing Down or Stopping

If a vehicle is stopped in front of you or in the lane next to you, they may be yielding to a pedestrian, so proceed with caution and be prepared to stop.

Give Yourself Enough Stopping Distance

You need more time to stop when you're driving fast. At a slower speed, motorists have better chance to react when children or others are crossing the road. This could be the difference that saves a life.

Watch for School Buses

When their lights are flashing, vehicles approaching from both directions must stop.

Pedestrians

Cross Only at Marked or Controlled Crosswalks

Do not jaywalk or cross when it isn't your turn.

Look Both Ways Before Crossing the Street

Ensure it is safe to cross from both directions of traffic before setting foot on the crosswalk.

Make Eye Contact with Drivers Approaching the Crosswalk

Be certain they see you and that they've committed to slowing down to a stop.

Double-Check Lights and Signals are Working at Controlled Crosswalks

Make sure that the flashing traffic lights are operational and haven't timed out before crossing.

Wait Until the Crossing Guard Says It's Safe to Cross

If your school has a crossing guard, follow their instructions before crossing – they will make sure it's safe before guiding you across.

Parents

Let Your Child Enter and Exit Your Car on the Side Closest to the Sidewalk

It's safest to drop off and pick up as close to the sidewalk as possible. Do not allow your child to cross mid-block.

Before Starting Your Car, Check for Small Children Hidden from Your View

Walk around your car and always look carefully for pedestrians when backing up
