**PAC MEETINGS**

**– IN THE LIBRARY THIS MONTH!**

PAC are amazing resources for our entire school community. A strong PAC bonds our school community with our families. PAC is an excellent way for our families to connect directly with the action at our school as well as develop relationships within the parent community. Please reach out to our PAC at [whitesidepac@hotmail.com](mailto:whitesidepac@hotmail.com) for more information. Our next PAC meeting will be **on Teams at 7:00 p.m. on Tuesday, October 22**. A link will be sent closer to our meeting. Check your email ☺

**CHECK IN AND CHECK OUT**

If your child is arriving late to school, please check in at the office through the front entrance. If your child needs to leave school early, please sign your child out at the office and wait at the front entrance for them.

**BIKE AND SCOOTER SAFETY**

We see a lot of our Wolfpack riding and scooting to school every day. Way to go! To be safe on the streets and paths, **everyone must wear helmets** when riding or scooting. Wearing a helmet is the law in B.C. and you could be fined for not wearing one, or worse. Also, please do ride or scoot on our drop off lane. Visit [this link](#) for more information about bike safety and see below for information about e-scooters.

**PARKING LOT SAFETY: A FRIENDLY REMINDER**

Drop-off and pick-up times can get hectic! Let's work together to keep our parking lot safe for everyone. Please remember these important points:

- *Drive slowly and cautiously:* Children can be unpredictable, so always be alert and watch for pedestrians.
- *Use designated parking spaces only:* Do not park in the fire lane or drive-thru lane, as this blocks traffic flow and creates hazards.
- *Hold your child's hand:* Always supervise young children and hold their hands when walking through the parking lot.
- *Be aware of your surroundings:* Look for moving vehicles and be mindful of blind spots when backing up.

Thank you for your cooperation in making our school a safe place for all!

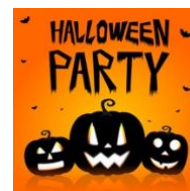

**PRO-D DAY – FRIDAY, OCTOBER 25**

Whiteside will be closed for our provincial pro-d day on Friday, October 25, 2024.

**LEARNING CONFERENCES**

We have an early dismissal at 11:50 a.m. on October 23 to host our fall learning conferences. These conferences are a great opportunity to connect with the school and discuss your child's learning. Please check in with your classroom teacher for more information.

**PAC HALLOWEEN PARTY**

Our amazing PAC is having a Halloween party and dance is on October 29<sup>th</sup>. Our gym will transform into a spooky party at 5:30 p.m. with games, treats, a costume contest, and more family fun. At 6:30 p.m., we will clear the floor for a haunted dance party until 7:30 p.m.

**DIGITAL DEVICE POLICY**

In January 2024, the Ministry of Education and Child Care mandated all school boards in British Columbia to update their Codes of Conduct to include restrictions on students' personal digital device use. Students

should not have personal digital devices in their possession during the school day unless permission is granted by the supervising staff for educational purposes. This includes during recess and lunch or while outside on the playground or on school property. It is recommended that students do not bring personal digital devices to school.

**DARE:**

Students in grades 5 and 6 are now participating in the DARE program with the Richmond RCMP. The DARE (Drug Abuse Resistance Education) program equips students with the knowledge and skills to make safe and responsible choices, helping them avoid involvement with drugs, alcohol, and risky behaviors. Through engaging lessons and discussions, the program empowers children to build confidence and make positive decisions that will benefit them throughout their lives.

**WEST COAST RECESS:**

During recess and lunchtime breaks, students are expected to always be outside. Students are strongly encouraged to dress appropriately for the weather. You may also send a change of clothes to school just in case your child gets wet. Playing outside will ensure our students get some fresh air and exercise to enliven their day.

**FSA's for Grade 4 and 7:**

Students in grades 4 and 7 have now started the Foundation Skills Assessment. The Foundational Skills Assessments (FSAs) help us understand your child's

progress in key areas like reading, writing, and math, providing insight into their learning. These assessments allow both teachers and parents to identify strengths and areas where additional support may be needed, ensuring each student reaches their full potential. This assessment is one of many that provides information about student learning at Whiteside and throughout the province.

**ALLERGY ALERT:**

All families should be aware that Whiteside School has many students with severe, life-threatening food allergies. Some classrooms may be designated nut free to protect the health of these students. Please help us limit the nut products entering our school overall, as the impact on a student can happen anywhere in the school. If possible, please do not send food to school containing nuts.

**STUDENT AFFORDABILITY FUND**

Recently, the provincial government announced a new, one time [Student and Family Affordability Fund](#). This fund is designed to assist families who require financial assistance with school-related costs such as school and course fees, workbooks, specialty supplies, field trips and other school-related charges and costs. The additional funding will also be used to support school meal programs and other nutritional supports for students.
