IPALS Sessions for 2025

For Families New to Canada with Preschoolers

SD38's IPALS (Parents as Literacy Supporters in Immigrant Communities) program provides strategies for families to support preschool aged children's learning in fun and interactive ways.

Sessions focus on learning through play and includes adult learning time with a facilitator with time for children to learn, play and have fun together. This program aims to support the development of language and literacy skills to prepare for school. Caregivers learn to support their children's learning and benefit from building social networks with each other.
