Richmond School District 38 is excited to welcome kindergarten registration applications for children born in 2021, turning 5 in 2026. These children will begin kindergarten in September 2026. Online registration opens on November 1, 2025. Please visit our website <http://www.sd38.bc.ca/kindergarten> for more information about our online registration process, required documents, important dates, and FAQs.

Families are encouraged to register any time during the Priority 1 registration period (November – January) for the best chance at attending their catchment school. All registration applications received any time during the Priority 1 registration period will receive placement decisions by February 2025.

Instead of in person information evenings this year, we have posted short videos that provide our new parents with information about the registration process, English Language Learner (ELL) assessments, and District Program Options – Early French Immersion and Montessori. These videos are available in English and Mandarin. Please view the videos at <http://www.sd38.bc.ca/kindergarten>.

PARKING LOT SAFETY: A FRIENDLY REMINDER

Drop-off and pick-up times can get hectic! Let's work together to keep our parking lot safe for everyone. Please remember these important points:

- *Drive slowly and cautiously:* Children can be unpredictable, so always be alert and watch for pedestrians.
- *Use designated parking spaces only:* Do not park in the fire lane or drive-thru lane, as this blocks traffic flow and creates hazards.
- *Hold your child's hand:* Always supervise young children and hold their hands when walking through the parking lot.
- *Be aware of your surroundings:* Look for moving vehicles and be mindful of blind spots when backing up.

Thank you for your cooperation in making our school a safe place for all!

DIGITAL DEVICE POLICY

In January 2024, the Ministry of Education and Child Care mandated all school boards in British Columbia to update their Codes of Conduct to include restrictions on students' personal digital device use.

Students should not have personal digital devices in their possession during the school day unless permission is granted by the supervising staff for educational purposes. This includes during recess and lunch or while outside on the playground or on school property. It is recommended that students do not bring personal digital devices to school.

WEST COAST RECESS:

During recess and lunchtime breaks, students are expected to be outside at all times this year. Students are strongly encouraged to dress appropriately for the weather. You may also send a change of clothes to school just in case your child gets wet. Playing outside will ensure our students get some fresh air and exercise to enliven their day.

ALLERGY ALERT:

All families should be aware that Whiteside School has many students with severe, life-threatening food allergies. Some classrooms may be designated nut free to protect the health of these students. Please help us limit the nut products entering our school overall, as the impact on a student can happen anywhere in the school. If possible, please do not send food to school containing nuts.
