NEWS FROM THE WOLF PACK

Dear Families,

You should all have received an email from our Superintendent relaying the new public health protocol regarding mask wearing in schools. Please ensure that you read this letter thoroughly as it should clarify any questions you may have. There are some exceptions. We want to ensure that those who are not able wear masks are respected and that it is understood that there are some situations where masks are not required (eating, band, etc.). Thank you for your support during these interesting and ever evolving times.

Ready Set Learn is a Ministry of Education initiative to support and strengthen the relationship between schools and families, to promote literacy and lifelong learning, and to make all families feel welcome. Families with children ages 0–5 are invited to the District’s Ready Set Learn Events. They have planned lots of events and activities throughout the month of April—all FREE! To access the concert and the webinars please go to: www.sd38.bc.ca/rsl. If your child is starting kindergarten in September, they have some webinars just for you! Please let neighbors with under 5s know as well.

We would like to remind all parents/guardians/caregivers to complete the Provincial Student Learning Survey. This survey is also administered to students in Grades 4 and 7 to gather information on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective. The e-survey site www.bced.gov.bc.ca/sat_survey will be open until April 30th.

Have a good four-day weekend!
