- May 24** Victoria Day – School Closed
- May 25** Welcome to Kindergarten

NEWS FROM THE WOLF PACK

Dear Families,

We hope that you all enjoyed our January Zoombly. It was nice to see not only the robots (from the ADST challenge) that were created in school, but also those from our Transitional Learners. We are also excited to see some new faces in the hallways as we welcome a new group of students from Transitional Learning. As of now, the last re-entry date is March 29th—after Spring Break. Families, whose children have ePortfolios as a form of communicating student learning, can expect to receive an email from classroom teachers outlining how to find their summative assessment on the Portfolio by the end of the day on Friday, February 5th. This assessment will give a snapshot of a student’s strengths and challenges, including behaviour and social responsibility comments.

We would like to encourage all parents/guardians/caregivers to complete the Provincial Student Learning Survey. This survey is also administered to students in Grades 4 and 7 to gather information on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective. The results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The e-survey site http://www.bced.gov.bc.ca/sat_survey will be open until April 30th.

Just a note, Whiteside masks are still available for sale! Please let the office know.

Have a good weekend!
